**From: EPSCO Joint Office**

Dear **EPSCO RISK** working group members and new participants,

Our next EPSCO RISK working group meeting will take place in **Porto, Portugal, Wednesday 10th of April 2019 – 11:15 -13:15 pm** at the Alfândega Congress Centre, address: Rua Nova da Alfândega, Edifício da Alfândega 4050-43 Porto

**Please find below the invitation and agenda from the chair of the EPSCO RISK working group Birgitte Drewes:**

Dear participants in the Working group regarding risk,

We look forward to seeing you all in Porto. Following the inspiring discussions in Sofia, we suggest discussing the following topic:

***Risk-based planning of individual inspections***

- How do we use risk in evaluating *frequency* and *intensity* of individual inspections?
- Which elements are used in deciding inspection strategy?

We will focus and use examples from the social area but see an obvious overlap with methods used in the health area.

All comments and ideas are welcome. Please forward them to Birgitte Drewes at [bidr@stps.dk](mailto:bidr@stps.dk). and copy [mmurel@epsonet.eu](mailto:mmurel@epsonet.eu) with suggestions.
