32nd EPSO CONFERENCE WITH FOCUS ON APAC
SINGAPORE

4. **Registration for the conference is now open. Participants should register attendance by 13 June 2022 (Mon) at this [link](#).**

- a. **Registration is by invitation and only for intended organisations/participants.** Please refrain from circulating the registration link.
- b. **Registration is mandatory for participation in the conference, as well as the pre-conference EPSO TAC working group meeting.²**
 - i. Participants will receive a confirmation email upon successful registration. A welcome pack with further administrative details will be emailed to participants closer to the conference.
 - ii. The pre-conference EPSO TAC working group meeting is open to all conference participants and other invited parties, including participants not currently affiliated with EPSO. However, participants who wish to attend this meeting should indicate their attendance accordingly in the registration form.
- c. Participating economies may each send up to **two (2) in-person participants and two (2) virtual participants** to the conference. In-person participants must be fully vaccinated³. Participation in the TAC working group is limited to conference participants and invited parties.
- d. To facilitate conference arrangements, late registrations beyond the deadline of 13 June 2022 will only be accepted for good reasons and after being admitted explicitly by the conference organisers.

5. For enquiries, please contact the conference organisers at CoRE@duke-nus.edu.sg.

² Meals and refreshments will be provided during the conference, where indicated in the programme. Costs of travel and accommodation will not be covered – participants are to make their own travel and accommodation arrangements, at their own expense. Participants travelling to Singapore may use the self-help tool [here](#) to determine the latest entry and health requirements.

³ See [here](#) for requirements that must be met to be considered fully vaccinated.
