- E- Health Estonia
- E- Health data Singapore
- E- Health and digital care UK

36th EPSO conference in Tallinn, Estonia

About the EPSO Conference

About the EPSO Conference - Please note:

- The EPSO sessions will be introduced from the various perspectives around the world by Peer Regulatory Leaders from our EPSO Network and other speakers invited by EPSO. The sessions aimed to be interactive and will be followed by one or more break-out sessions; the sessions alternate with group discussions.
- The EPSO conference and conference dinner are free of charge for EPSO delegates, (invited) partners from the EPSO-APAC network, speakers and other (invited) guests.
- EPSO working groups are open to all delegates from EPSO Partners and - by EPSO - invited experts who want to participate in the work of working group(s); participation in the working group sessions does not necessarily mean that participants must participate in the main conference.
- Participation in-person in the main conference is limited to a maximum of 3 participants per partner organisation/country.
- Travel and hotel must be organised by yourself; all costs are at your own expense.
- Participation online is limited to EPSO partners and - by EPSO- invited guests with camera on and microphone muted; If you want to join us online in the (pre)conference please let us know in advance at info@epsonet.eu who you are (name/ country/ organisation), please open your camera and mute your microphone and use this link to our Microsoft Teams meeting (* link to be included)
- Participation in the conference means that you accept the exclusion of all liability from EPSO and the Estonian Board of Health for loss or theft of your assets and for possible liability resulting from damage caused by shortcomings of the organization; Nevertheless, as usual with our EPSO conferences, the organization does everything within their means to ensure that the conference runs smoothly and safely.

The old medieval city of Tallinn, Central square

Programme Pre-Conference Day

The 28th and 29th of May 2024

- **Tuesday 28th of May – Early bird – Inspection related workshop** for those interested in exchange of experience and knowledge about risk assessment methodologies – please ask at info@epsonet.eu if you arrive earlier and want to join.
- **Wednesday 29th - lunch session 12.00-14.00**
