38th EPSO conference in St Helier, Jersey

Evolving Regulation for High-Quality of Care in a Changing World

This conference will address the key challenges for health and social care regulators.

Emphasizing the importance of learning from past challenges
and adapting to meet future demands.

Main Conference Themes

LEARNING-CENTRED APPROACHES

EMBRACING EVOLVING VISIONS AND TRENDS IN REGULATION

EXPLORING EMERGING AREAS IN REGULATION

Theme 1 Learning -Centred Approaches

How to build a sustainable inspection and regulatory practice

- Learning from adverse events (regulating and learning from adverse events in the past).
- Learning from regulatory challenges.
- Learning from services users and from communication with stakeholders.
- Learning from lived experiences as important instruments for regulation and inspection.

Theme 2 Embracing evolving visions and trends in regulation

- **New integrated & preventive perspectives on regulation of care** (primary, community, social, long term and disabled care including the world around its service users).
- **Regulation & inspection with a broader (holistic) focus** (regulating with a focus on disease to supporting a better life, retrospective control to foresight; from just inspecting to also analysing, stimulating, supporting, and guiding; the dynamics of a journey towards regulation with a broader focus on health).
- **New approaches, methods and instruments for regulation & supervision** such as digitalization, co-operation between internal and external regulation and self-regulation.

Theme 3 Exploring Emerging New Areas in Regulation

- **End of Life (assisted dying)**
- **Ambulance care**

38th EPSO conference in St Helier, Jersey

About the EPSO Conferences in general

- EPSO sessions will be introduced from the various perspectives around the world by Regulatory Leaders from our EPSO Network and other speakers invited by EPSO. The sessions aim to be interactive and will be followed by one or more break-out sessions; the sessions alternate with group discussions.
- EPSO conference and conference dinner are free of charge for EPSO delegates, (invited) partners from the EPSO-APAC network, speakers and other (invited) guests.
- Participation in-person in the conference is in principle limited to a maximum of 3 participants per EPSO-partner organisation/country.
- In-person participants are requested to complete this online registration form <https://docs.google.com/forms/d/e/1FAIpQLSfWU3x7Lr4DQLqLLM0Ux1bTtFtG9sbegtfb4yF1z8pd0VmFg/viewform?usp=sharing>
- Travel and hotel must be organised by yourself; all costs are at your own expense.
- Participation online is limited to EPSO partners and - by EPSO- invited guests; please use the link to our Microsoft Teams meeting that will be sent to you. All online participants -except speakers – are requested to have their cameras on and microphones muted.
- If you want to join us online in the conference, please let us know in advance at info@epsonet.eu who you are (name/ country/ organisation) and which sessions you want to follow.
- Participation in the conference means that you accept the exclusion of all liability from EPSO and from our hosts for loss or theft of your assets and for possible liability resulting from damage caused by shortcomings of the organization; however, as usual with our EPSO conferences, the organisation does everything it can to ensure that the conference runs smoothly and safely.
